# ABOUT JIZI INTERIORS

---

It was in 1981 that Jizi Interiors was founded, by Architect Saad Jizi, Founder and General Manager of the firm. Under his leadership, Jizi Interiors began offering clients interior design and finishing projects.

As the team continued to flourish under his tenure, one creative breakthrough came after the other, generating functional solutions for clients, thus paving the way for the expansion of Jizi Interiors.

To date, Jizi Interiors encompasses a quarter of a decade of expansive knowledge in the interior design and contracting fields, on an international scale.

The portfolio of the firm includes classic and modern solutions for diverse commercial and retail projects worldwide. The founding vision of Jizi Interiors is continually complimented by the academic and business influences of the firm's management.

In summary, the guiding vision of Jizi Interiors is to become leaders in unparalleled design creation, fused with flawless finishing, thus exceeding clients' expectations and respecting project timeframes.

# OUR OFFERINGS

---

Jizi Interiors provides clients, both locally and internationally, with different services, centered on the field of design. Covering both the interior and exterior of commercial and residential properties, as well as creating conceptual designs, Jizi Interiors also provides contracting and interior finishing services.

## SPACE PLANNING & DESIGN

Space planning requires a thorough understanding of the given area and the clients' needs, in order to create a synergy between comfort and functionality, whilst staying true to design standards. At Jizi Interiors, spaces are crafted conceptually, drawing inspiration from different design genres, and completed to perfection.
