Welcome to connex

We are Connex, the 2nd largest transportation company in Lebanon.

Since our inception in 1998, we have been the leaders of inter-city transportation with years of experience in servicing a wide range of transportation needs.

With more than 160 employees and over 80 buses, we seamlessly cater to the travel and transportation needs of more than 2,500 people every day.

Our transportation network is unmatched and backed by our own infrastructure and resources to ensure that we are the foremost in providing world class standards, travel planning support, and dedicated repair and maintenance facilities that work round the clock.

All this is possible through our continuous attention to providing the best-in-class service at competitive prices.

Our services

We ensure hassle-free services to our clients for their different travel needs. Our services include:

School/Students Transportation We run a fleet of private buses and apply the utmost standards of safety and cleanliness which reflects our ability to provide first-class transportation for school children.

Employees Transportation We are the obvious first choice or companies looking for transportation solutions for their large number of employees. We offer a wide selection of buses, vans, and mini-vans guaranteed to match every need and budget.

Private Buses Our large and exclusive fleet of private buses is freely available for private excursions within Lebanon. You can use priority access to all our services to meet your hospitality, business, group conference, or even extended away-from-work tours, trips and holidays.

Private Taxis All our cars and 7-seaters are top of their classes. With both vehicles and chauffeurs carefully selected to meet the highest quality standards. Our drivers are hand-picked, multi-lingual, courteous, and highly responsible for the safety and comfort of their passengers.

Regardless of whether you need to transport one or 1,000 people, Connex is ready to meet all your requirements and assist you with your travel planning, given our extensive experience local knowledge, and comprehensive rates.
